INITIAL CALLING NOTICE

TO

SUBJECT: International Conference: Civil Military Cooperation in Trauma and
Combat Trauma System Education and Training

DATE: 6 MAY Naples

Dear Sir/Madam,

We are pleased to invite you to contribute with your experience and expertise to the second International Conference dedicated to Civil-Military Medical Cooperation. The Conference “Civil Military Cooperation in Trauma and Combat Trauma System Education and Training”, will be held on 26 and 27 September 2013 at Nunziatella Military School, Naples, Italy. This Conference is organized by the Army Logistics Command, Department of Health, Rome and International Disaster Medicine Association, in collaboration with A.O.R.N. “A. Cardarelli”, Naples, A.O. Hospital “Niguarda Ca’Granda” - Trauma Team, Milan, Hospital Maggiore, Emergency Department, Bologna, University of Modena and Reggio Emilia, School of Medicine, US Naval Forces Europe Medical, Naples, NATO Allied Joint Force Command Headquarters, Medical Division, Naples and Policlinico Militare “Celio”, Rome.

The Conference deliberations will be on the following themes:

- **Disaster Medicine as an analog to the Trauma and Combat Trauma Systems**
- **Combat Trauma System Education, Training and Implementation Challenges**
- **Medical Information Management Challenges in Disaster National and International Medical Support**

- **Civil-Military Cooperation in Disaster Medical Support Education and Training**

This Conference will examine national, regional and international ‘best tutorial and training practices’ implemented in the Combat Trauma and Trauma Systems establishment. Defining required level of coordination and cooperation between civilian and military medical services in the education, training and medical information exchange will be the desired outcome of the scientific work and discussions. Coordination between healthcare providers and the other organizations involved in the incident or disaster management will be also discussed so that an adequate and efficient relief for affected population can be achieved .

The deliverables will be a set of substantive policy and action-oriented experience sharing and recommendations. The conference proceedings will be submitted for publication.

It is an honor and privilege to invite your institution to send a speaker or poster, describing your experience in the educational and training process related to combat trauma and trauma systems establishment and development.

Your participation will be a valuable contribution to the Medical Support and Management in case of calamities tutorial process.

We look forward to a positive confirmation, an honor for us and indeed for the people of Italy.

Kindly RSVP by 20 August, 2013 to the Organizing Secretary Rosaria Pasquariello at rosariapasquariello@ble-group.com and/or to IDMA Coordinator Dr Alessia Gualtieri at internationalidma@gmail.com

Yours sincerely,
