- General Brigadier Sebastiani once again highlighted the importance of civilian clinical physicians' involvement as speakers and as an audience. He underlined the ongoing organizational challenges and required more clarification on way ahead from the other participants. About the possible ITA MOD participation in the conference work the answer is still pending - the definite answer is expected by July 20. BG Sebastiani kindly requested the organizing committee to postpone the second calling notice till this date, because of the possible conflict of dates. On the sponsorship there is still ongoing discussion.
- Dr.Noschese informed that an e-mail was sent to Prof.Barberi and this will probably assure the presence of a former Chief

of the civil protection. Furthermore he confirmed the contact made with Israel for participation of the Israelian Colonel Abargel of Piquid Haoref Command as a speaker.

- Captain (N) Chapman confirmed the participation of Capt (N) Terbush, as American expert in quality of speaker and moderator. The two proposals for his delivery were made by Col Kostadinov and accepted by Capt Chapman. He will contact the speaker for confirmation and will provide the information prior to Jul 20. The two other presentation from US side were discussed and accepted as a provisional titles that will be modified till Jul 20.
- Colonel Kostadinov confirmed the change of the name used in the title of the meeting. He also presented his view on proposed means of publication for the conference papers, strongly recommending for looking for other possibilities. Based on work performed by the IT specialist in DMML Caserta announcement for conference web site readiness from the next Monday was made. Col Kostadinov made brief presentation on panels work during the conference. He once again highlighted the remaining unsolved challenges regarding sponsors; the place of the publication; the simultaneous translators.
- Colonel Mattei closed the meeting with summary of the decisions made and suggested second meeting with Col Pelosi to follow for clarification of the procedures related to the interpreters support to the conference by JFC HQ Naples.
- Colonel Paolo Pelosi (or Colonel Mattei) is to contact Colonel Nicoletta, Director NCSA Sector of Bagnoli, to solve the problem of the cabin to be used by the interpreters, as well as clarified the procedure for requiring them by Logistics Commander, LTG Borrini to COS JFC HQ, Naples, LTG De Vincenti.
